

# Argonautics Newsletter

- Received positive feedback on previous newsletter published last year
- Appreciate time taken by authors to contribute
- Plan to produce next newsletter by end of summer

# Possible Articles

- Argo Perspective from John Gould
- Surface pressure correction update
- New float features ( NAVIS, NOVA floats )
- New deployment opportunities (update on Lady Amber cruises, Voiles sans frontieres)
- Summaries of AST-13, ATW-3, AMDT-12
- Reference DB upgrade
- EuroArgo update
- BioArgo update
- Other ideas?
